

Year 7 – Film Music – Knowledge organizer

Unit Outcome: Compose an original composition using Cubase to accompany a film trailer

Key Vocabulary

Drone: Long sustained note which provides a foundation to build upon

Ostinato: A short repeated section of music

Melody: The main tune

Hit Points: Parts in the film which are emphasized by music/sound effects

Sound effects: Using sound from the real world in a piece of music

Remember! Music is used in film and TV to:

Give the viewer a sense of emotion

Put the viewer in a specific location
